Quality Crown Hotel Paddington

The hotel's 85 elegant rooms have a chic modern feel – their spacious uncluttered interiors will ensure you unwind after a busy day.

Each room has been designed not only to satisfy the demands of today's business requirements but to help you have a relaxing and comfortable stay. All rooms are fully air conditioned and are equipped with up to the moment amenities such as ADSL and Wi-Fi internet, 30" flat screen TVs and on-demand movies and CDs.

This superb contemporary designer-style hotel is just 15 minutes from London Heathrow by Heathrow Express to Paddington Station and at the hub of central London's tube and bus networks – London's best connected hotel.
